

## Speech activities – August 2022

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
1 Choose one of your target words – now try and think of words which rhyme?	2 What's in the bag? Pull out objects/pictures related to your target sound	3 Choose your favorite (non-electronic) game – take a turn each time you use your target sound	4 Lay out objects/pictures related to your target word and take it in turns to hide one – can you remember what it is? Remember your sound!	5 Look at pictures in books – how many can you find that have your target sound in them?	6 Put a jigsaw together – you have to use your sound to get the next piece!	7 Play pairs with pictures related to your target sound.
8 Hide pictures / objects related to your sound behind a barrier – take it in turns to describe them / guess them.	9 Go on a sound walk – how many things can you see that have your target sound in them? Name them as you go.	10 Lay out pictures related to your sound on the floor – throw a beanbag and whichever one they land on, that's the one you say.	11 Stepping stones! Put your pictures out on the floor like a path – name them as you 'walk' along it.	12 Go fish! Use a toy fishing rod (or make one!) and take it in turns to 'fish' for your pictures!	13 Skittles! Use toy skittles – each time you have a turn, say one of your words.	14 Snap! Play snap with your pictures – remember to name them!
15 Choose your favorite (non-electronic) game – take a turn each time you use your target sound	16 Hide pictures/objects related to your target sound(s) around the room and name them	17 Pairs! Play pairs with pictures related to your target sound.	18 Draw pictures of words with your target sound and colour them in – say them too!	19 Lay out objects/pictures related to your target word and take it in turns to hide one – can you remember what it is? Remember your sound!	20 What's in the bag? Pull out objects / pictures related to your target sound	21 Look at pictures in books – how many can you find that have your target sound in them?
22 Play 'I went shopping, and I bought...' with your target sound pictures!	23 Choose your favorite (non-electronic) game – take a turn each time you use your target sound.	24 Stepping stones! Put your pictures out on the floor like a path – name them as you 'walk' along it.	25 Build a tower - one block for every time you use your target sound at the right level	26 Go on a sound walk – how many things can you see that have your target sound in them? Name them as you go!	27 Snap! Play snap with your pictures – remember to name them!	28 Hide pictures/objects related to your target sound(s) around the room and name them.
29 Look at pictures in books – how many can you find that have your target sound in them?	30 What's in the bag? Pull out objects / pictures related to your sound	31 Choose one of your target words – now try and think of words which rhyme?
