

Good Beginnings Videos: External Links

This information sheet accompanies sessions 2 and 3 of the Good Beginnings course and below is a list of external links which you will be directed to during each of the sessions.

Good Beginnings is a 9 week parent course devised jointly by Provide and the LEA but delivered by the LEA. Its purpose is to inform and empower parents of preschool aged up to reception aged children with a known or suspected social communication disorder such as Autistic Spectrum Disorder (ASD).
